Parrish Construction is delighted to announce that its cabinet operations manager, **Eric Balstad**, is celebrating his 35th year with the company. Balstad is also a certified kitchen designer, which takes years to attain and requires both rigorous testing and personal recommendations. 303-444-0033.

Knudson Gloss Architects won first and second place in the whole house remodel category at the 2007 Colorado Awards for Remodeling Excellence for its design work on the Cooper and Schwartz residences. The awards focus exclusively on the remodeling industry. 303-442-5882.
